Register, register, register! Capt. B. A. Newland returned from Hot Springs yesterday. The conference of the M. E. church North, is in session at Clyde. John Clinton Hall in "Ranch No. 10" at opera hall, Wednesday evening.

Messrs. Carter and Ewart speak at Bakersville, Mitchell county, today. Messrs. E. D. Carter and H. G. Ewart spoke at Bakersville, yesterday. Asheville Lodge, No. 2, A. O. U. W., held its regular meeting last night.

Register, democrats of Asheville township is you wish to vote in November. Regular meeting of the radical protective club at the court house to-night. Mr. F. N. Fessler and wife, of Augusta, Ga., are in the city, stopping at Battery Park.

Col. Frank Coxe and family left yesterday for Philadelphia, where they will spend several weeks. Register, white men of Asheville township, who are in favor of honest government and tariff reform. Regular weekly meeting of the city council will be held at the Mayor's office to-night at 7:30 o'clock.

Mr. Duff Merrick has returned from Asheville, where he has been for several days past. Asheville needs an opera house, and needs it badly. Capt. Howell will be invested in putting such an enterprise. The time of winter travel to Asheville has already set in, and several visitors are now in the city who will spend the winter here.

Several of our people went to Reems Creek yesterday, to hear the joint discussion between the candidates for county officers. E. H. Stearns, A. C. Ryerson, Ne York; Jas. C. Coxe, Greenville, S. C.; and C. S. Jordan, Tryon City, N. C., were at Battery Park yesterday. The speaking at Reems Creek yesterday was largely attended, and Tom Candler got in his work on Lon Wells and Major Malone in fine shape.

The tobacco breaks at the Farmers' and Buncombe war-houses yesterday morning were largely attended, and the prices obtained for the weed were very fair. Miss Lavinia Shanon, the brilliant and well-known Washington actress, will present "Lady Audley's Secret," at opera hall in this city, on the night of November 27th. All young ladies interested in Bible study are earnestly requested to attend the young ladies Bible reading this afternoon, at half past four o'clock, in the Second Baptist church.

Mr. F. L. Dortch who has been in this city for several months past, left yesterday for Raleigh, where he will take in the State Fair. From thence he will go to Goldsboro, his former home. His many friends here sincerely regret his departure. Every democrat in Asheville township who fails to register before the election, diminishes the victory of the democracy in November. Democrats, are you willing to do this? Your action in this matter will decide the question. Register, and work.

The street crossing in front of Sawyer's store, on Patton avenue, should be repaired by the authorities. Mr. Adolph Whitlock is a cousin of Mr. A. Whitlock, the clothier, instead of brother, as we stated yesterday morning. Everdram township will give a democratic majority of sixty, in November. Republicans are scarce in that township. Col. T. B. Ray, of Selma, Ala., who has been spending several months past in Asheville, returned home with his family last evening. Dr. Baird made a splendid impression on the people of Upper Hoinny and Ivy. His speech, like Capt. Carter's was very effective.

A colored citizen arrested by police officer Rowan, on South Main street, Wednesday night, on a charge of swearing on the streets, was fined \$3.50 by Mayor Harkins yesterday morning. Those republicans who are so anxious to beat money upon the result of the presidential election, back down and out when a democrat offers to put the money up. Put up, or shut up! Mr. Nichols, of Madison, a rich man, the candidate of Maj. Malone and his committee of 28 for register of Buncombe, expects to beat John Mackey, a poor boy who has had to struggle for what he has, and needs the office. Charlie went get there. Hon. Robt. D. Gilmer, of Wayneville, delivered a very able and interesting address before the Young Men's Democratic Club, of this city, at the court house last evening. Mr. Gilmer is an easy and fluent speaker, and his remarks were greeted with much applause.

Maj. Malone is the great tariff debator of this county canvass. He has not found out yet that it is Congress and not the Legislature which can carry out his plan of giving the people free whiskey and taxing them high on all they eat and wear, and use on their farms and shops and on their Bibles. Or perhaps he thinks he is running against Mr. Ewart for Congress—on the sly. Perhaps he is. The idea that Capt. Geo. Howell presides in running against his old comrade-in-arms, John Courtney, whom he carried to the war and left to lose a leg, is mortifying to the Captain's friends. Capt. Howell does not need the office, and John Courtney does. The people will reject Mr. Courtney by an overwhelming majority, as the rats are trying to swap Uncle George off to get votes for Worley and Wells.

The reorganization of the Asheville Hook and Ladder Company will take place to-morrow night. The Asheville fire department, while a good one, is nothing like so large and effective as should be, considering the amount of splendid material to be found in the city. The fire department of Asheville should be substantially endorsed by the city council and the citizens of the place. Some years ago when Mr. Cook was assistant district attorney the federal courts were held in Raleigh, and to that point many of our people were dragged to be tried by that tribunal and presented by Mr. Cook. These people have not forgotten these things, nor have they forgotten that Mr. Cook got rich out of the blood money thus forced from them. He got six thousand a year. Of course he can brag to those people that he owns a fine \$1500 shot gun, and a double-nose pointer-pup. He can afford it but they paid for it.

Married. At the residence of James Frank, Esq., South Main street on the evening of the 16th by the Rev. Geo. H. Bell, Mr. John S. Cairnes, of Asheville, and Miss Lena Creaman, daughter of Mr. W. L. Creaman. Falsehoods and Abuse. Mr. Eaves, the chairman of the State Republican Executive committee has issued a "warning" to the "people" to beware of "frauds, falsehoods and forgeries" which he said the democrats will attempt to resort to carry this State. Now this is cheeky. In the face of the most shameless personal abuse, slander and falsehood, uttered by the republican press and campaigners in this canvass this ebullition from Mr. Eaves is refreshing. The manner of conducting this campaign, on the part of the republicans, and the manner of the irresponsible fellows caught up and sent for their capacity for dirty and disreputable work, and their canvassers from Dockery down. Mr. Dockery himself taking the lead in slandering women, dead men, and his betters, has been without a parallel in the history of the State. Outside of the disgrace is shameful attached to the chosen representatives of a party, the effect of all this has been to unite the honest, good men of the State as they were never before united, the result will be, by the fair, determined votes of these people, to bury that party out of sight in this State next month. But we cannot withhold our admiration of Mr. Eaves' cheek.

At Law's. Trade has been just a little dull lately. We have decided and put on the market a large invoice of Fine Table Knives, in Every, Colliard and Bone, also to close out certain old or odd patterns of best plated Spoons and Forks at about half price. As usual we mean what we say. Ask for goods advertised or see them in window with prices on. Call early. AT LAW'S, South Main street.

THE SEASON BEGUN. Opening Tobacco Sale at Ray's Warehouse. The opening sale for the season at Ray's warehouse, (formerly the Buncombe) took place Wednesday. A good quantity of low grades was on the floor, but very good prices were obtained. We note a few of the sales: S. Hampton 24, 17, 15.50, 2.80; J. A. Beachboard, 17, 9, 6.75, 1.60; Hawkins & Turpie 10.25, 8, 4.50, 4.30; J. C. Hawkins 25, 14.25, 12.75, 10, 6.75, 6.30, 4.40, 2.40, 1.60, 1.50, 1.40; Brooks & Massey, 7.25, 6.25, 2.40, 1.80; J. G. Fisher, 19, 18.50, 12.75, 4.10; D. H. Fisher, 27, 17, 11.25; A. W. Lanning, 17, 11.25, 11, 5, 4, 2.80.

An Emphatic Denial. The following cannot be misunderstood: LEICESTER, N. C., October 17. Dear Sir: It has been reported in this township that if D. L. Reynolds is elected sheriff I am to be elected county clerk. I never promised any such thing, nor even spoken to the matter, nor I to him, about it, and the reporter of it is a liar. I care not who he is. Please publish and oblige in daily and weekly. JAS. W. STEVENS.

Has Returned to the Field. The Greensboro Patriot says: "Like the wandering sheep from the scatter of the Reidsville Weekly, he returned to the democratic fold, will support the democratic ticket, we are told, and was placed on the Committee of Introduction for the grand barbecue, flag-raising, and democratic rally at Reidsville on the 15th inst." We felt certain Mr. Webster would not desert his State in the pending emergency. We are pleased he has shown he would not.

Caution to Tobacco Planters. A visit to one of the warehouses yesterday demonstrated the fact that there was a good deal of tobacco on the floor that ought still to have been in the barn. The color has not yet come. We suppose that it is necessary that forces tobacco on the market. But the movement is unwise and premature for several reasons. First, the weed is generally in unfit marketable condition as waiting in the color that time will give it; secondly, the market neither here nor elsewhere has acquired tone or stability, depending still upon complete reports of quantity and quality, and, thirdly, as especially applicable to this market, a considerable number of buyers are absent in attendance on the fair at Richmond and Raleigh.

It would be best before rushing the new crop into the market to wait until the first week in November. In the meantime the warehousemen are prepared to sell all that is brought them. Asheville Building and Loan Association. Mr. John G. Lindsey requests us to call attention to the following communication, which we do with pleasure. The object of the association is one we have so often urged and advocated, that we will be glad to press its claims upon public attention. Please say to the public that the meeting last night was called for the directors of the Asheville Building and Loan Association to consider the issue of a mortgage, and that persons who wish shares soon, and they can pay on the 7th of November to E. I. Holmes at the Asheville Bank. We wish to increase the stock one thousand shares. All names will be thankfully received. JOHN G. LINDSEY.

Register, Democrats. There is considerable lukewarmness being manifested by the democrats of this township regarding registration, and the chances are now that a full democratic vote will not be polled in November, owing to this unwarrantable negligence upon the part of those democrats who claim to be in favor of maintaining honest government, yet all the while treating this most important matter with indifference. This will not do, we must every vote we can get in the county in order to elect our candidates, and if democrats do not register, they certainly cannot vote. Remember this fact, and register at once. If you have not already done so, a few votes will make a great difference in this election, and much more by result in the defeat of every candidate upon the county ticket, should they not be cast for them. Register, democrats of Asheville township. It is absolutely necessary, and do not by your negligence in this matter, again turn our county and the interests of our people over into the hands of the republicans. See to it now, that your name is properly registered, and then go to work for democratic success in November.

YESTERDAY'S REGISTRATION. The total registration at the different wards in the city was 1084, divided as follows: EAST WARD—J. M. ISRAEL, REGISTRAR Whites, 291 Colored, 209 Total, 500 WEST WARD—A. T. SUMNER, REGISTRAR Whites, 411 Colored, 173 Total, 584

THE W. N. B. BAPTISTS. Assembled in Convention at Candler's Yesterday. (Special Correspondence of the CITIZEN.) CANDLER, N. C., Oct. 17, 1888. The Western Baptist Convention met here to-day in its regular annual session. The body is composed of sixteen district associations, with a constituency of about 20,000 members, and embracing all territory west of the Blue Ridge mountains. The introductory session was preached by Rev. W. A. Nelson, of Asheville, who fully sustained his reputation as an able and logical expounder of divine truth. The convention was organized by the re-organization of Rev. D. B. Nelson, as President, and Rev. W. W. Wells, as corresponding secretary, both of whom discharge their respective duties with entire efficiency. The following visitors from the State convention are in attendance: Revs. E. A. Poe, C. J. Woodson and J. W. Oliver.

The report on the Baptist orphanage was made the special order for to-morrow at eleven o'clock, when Mr. J. W. Oliver, assistant manager of this institution will address the convention on the subject. The weather is as delightful as if made to order; the scenery from every direction sublime and picturesque beyond description; the people kind and hospitable, and there is no reason apparent why a pleasant and harmonious session should not be confidently anticipated. After the appointment of the usual committees the convention adjourned until to-morrow morning at 9:30.
